Dear Mr. Paparello:

Thank you for your letter of 29 August informing us of your company's intent to publish a modified version of the Basic Intelligence Factbook.

The Basic Intelligence Factbook is prepared by this Agency on behalf of and with the help of several U.S. Government offices. I therefore suggest that in your publication you make reference simply to "U.S. Government" as the source of those contents you reproduce.

We appreciate your courtesy in seeking our recommendation in this matter.

Sincerely,
